Dedication at work for you

CONNECTING YOUR BUSINESS TO THE PRODUCTION RESOURCES YOU NEED

Diversified Opportunities has partnered with numerous businesses over the years serving the Aerospace, Automotive, Industrial, Pharmaceutical and Agri-Business markets. Through these partnerships DOI has developed a network of resources for just about any need. This coupled with our industry experienced board of directors and staff has provided us the advantage of being able to fulfill almost any need while also adhering to best industry practices.

Diversified Opportunities is strategically located to provide easy access to several major travel routes. Our 67,000 sq. ft. facility is easily accessible via I-95, US-301 and US-264 and has multiple loading docks and forklift assistance. Our entire facility is climate controlled and fenced for comfort and security. The team here at Diversified Opportunities is dedicated to providing our business partners the best experience possible.

STAFFING SOLUTIONS

Here at Diversified Opportunities staffing is what we do best! Our mission is to provide vocational training to a wide range of disabled and disadvantaged persons in an attempt to empower them for competitive employment. Our staffing services are completely customized to our customers' needs and focus on providing the best quality and efficiency possible. We provide short-term, long-term, on and off site workforces for practically any industry and application. We also provide on-site job coaches that ensure any necessary training is administered and all quality standards are met. Call us today to see if we can meet your staffing needs.

SERVICES

Diversified Opportunities is highly experienced in providing exceptional services to our customers. For over 35 years DOI has executed a myriad of custom services to meet or exceed our customer's needs. In many cases DOI has created a process that outperforms the customers expected service needs. Our goal has always been to provide quality with economy.

OUR DIVERSE CAPABILITIES CAN PROVIDE YOU WITH AN END TO END SOLUTION.

PRODUCTION

Diversified Opportunities is exceedingly equipped to supply your production needs. Our free estimates, competitive bids and on call labor force allow us to compete in almost any market.

Our current capabilities are in the wood products industry and we specialize in custom crating, palleting and skids. We see no job as too big though and are financially equipped to invest in any market that would provide a benefit to a potential customer.

DOI maintains an experienced production and manufacturing staff and has several seasoned business professionals on its board of directors. This knowledge base of industry methodologies and best practices allows us to say with confidence that Diversified Opportunities can provide you with a competitive and quality product.

Brigdestone - Gary Williamson

"We receive a great benefit at a great cost with service that is on time and on schedule."

3C - Michael Jones, CEO

"We truly appreciate and value our partnership with DOI. Their commitment to service and quality helps our business meet our customer requirements with each and every order."

YMCA of Wilson – Kathie Davis

"I cannot speak highly enough of the Diversified staff. They do an outstanding job preparing individuals for the workforce."
