DOI's Economic Impact On The Community

"Diversified Opportunities, Inc. spends \$1.33 million annually in the local economy. Using a conservative estimate of the value of the county multiplier (2.5), that would imply an economic impact of \$3.33 million on the local community."

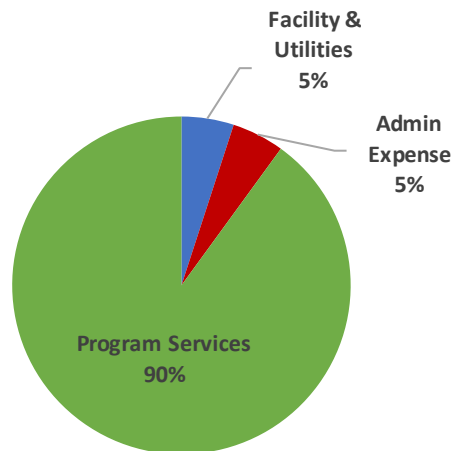

John J. Bethune, Ph.D.

As a result of the 64 individuals that were placed in jobs during FY 2016-2017, approximately \$1 million of additional income has been added to our local economy.
